### **TEAM MANAGER/COACH RESPONSIBILITIES**

The registration process is the responsibility of the **team manager & the individual** that will be participating in the competition.

DTA requires that each junior team has a designated **Manager/Coach who is responsible for organising and coordinating the team including** communicating game times and field allocations, undertaking subbing and having a basic understanding of the rules of Touch Football to provide guidance to the team.

The Manager/coach or a nominated parent **must** be in attendance at each competition game and be actively involved by standing in the sub box and managing subbing as well as player behaviour.

The Manager/coach must have a WWCC with the clearance number included on the registration when entering the team.

All Under 7 and Under 9 teams require a delegated person (this can be but doesn't have to be the team manager) **to be on the field and assist by acting as the coach and referee** for their team for each game e.g. in defence having players get onside, counting touches etc. Coaching tips for managers/coaches of Under 7 and 9 teams can be found at <https://www.dubbotouch.com/juniors-competition>

### **DUTY TEAM REQUIREMENTS**

For Under 7's and Under 9's the team manager or a parent from the first team listed on the draw are required to report to the clubhouse at least 5 minutes prior to the game to collect the scoreboard and balls. The second team listed on the draw are to return the scoreboard and ball.

All Under 11, 13 and 15 teams must meet the duty requirements for the competition which includes:

- Providing a minimum of **TWO** individuals, one willing to referee and one individual to score when allocated. The individual refereeing can be a player or parent from the team. Duty referees are required to wear a referee shirt if badged or otherwise a duty referee singlet provided at the clubhouse.
- Individuals who will be doing duty must report to the clubhouse at least 5 minutes prior to the game to be ticked off as attending and to collect the scoreboard and ball. At the conclusion of the timeslot duty teams should return scoreboard and ball to the clubhouse. A failure to comply with the duty requirements will see teams lose 3 competition points.
- Teams will be required to undertake duty approximately every second week. Managers/Coaches should check the draw each week for duty allocations.

Dubbo Touch will endeavour to provide badge referees to assist duty team referees where possible however this is not guaranteed and individuals should be prepared to referee.

Prior to registering please ensure you have individual/s willing to referee. **(PLEASE BYO WHISTLE)**.
