

Playing up procedure to avoid a forfeit

In the instance that a team is facing a forfeit, they may request that up to a maximum of three (3) players can play up an age division to guarantee a game for that round.

The team who requires the casual players will have the game recorded as a loss and will be awarded the associated one (1) point, with the opposition being recorded as having the win (3) points. Regardless of the game result.

The casual players MUST have the right singlet for the team that they are filling in for. Singlets cannot be swapped on the sideline.

The request to have casual player/s for that round must be submitted by Monday morning 9am of the current round via the form below.

How to apply:

- Complete the form here: <https://tinyurl.com/y4kr29sp> with the following information:
- Name of the player
- Team/age division they currently play in
- Team name the player is wishing to play for
- Date of the round game
